Prof. Efim Shifman

RE: Nomination in the Board of Directors of World SIVA

Dear Prof .Shifman,

I am writing officially to inform you that your request to take part in the Board of Directors, as representative of Russia, has been approved unanimously by the Board of Directors and by the Executive Board of our Scientific Society.

I am particularly happy and honored to have on board through you a great country as Russia.

Russia is a home of significant and important medical institutions. I have met you in the past and I had the pleasure of working with you.

As an experienced academician and colleague I am convinced you have the right blend of talent, experience, intelligence, creativity, leadership, writing and communication skills, combined with strong determination to excel as a leader in the field of the Anaesthesiology and Intensive Care in the world.

I firmly believe for this, that your contribution to the scientific activity of World SIVA will be relevant.

Sincerely,

Quirino Piacevoli, M.D. PhD
